Instructions for Parents

Playgroup to Reception

Dear Parents,

Kindly encourage and support your child to do his/her best on each task as this is an important phase of learning for them. Allocating a special time and place for learning, without distractions, will establish and encourage consistency. Supervision of work will further enhance the child's learning and lay a solid foundation for his/her educational future!

The e – learning plan will be shared/uploaded on a weekly basis for:

- Knowledge and Understanding of the World (KUW)
- English
- Mathematics
- Urdu (Pre-Reception and Reception)
- Storytelling
- Social Skills

The tasks/work plan have/has been planned/designed bearing in mind the integrated learning approach where all subject related tasks are tied together under one theme.

The e – learning plan for your child has been uploaded in the form of a booklet. You are requested to print it for further use. The plan outlines the tasks and a list of resources for learning including videos, songs, online games, quizzes etc. Before proceeding to the written task, kindly ensure your child has watched the related videos and gone through the other related web links; this will make his/her learning more meaningful.

Stay safe and happy learning!
